

The Long View

Oregon State Bar Partners in Sustainability

Your law office can become an Oregon State Bar Partner in Sustainability!

Oregon law offices of all sizes that adopt certain practices to reduce the energy, resources, and harmful chemicals used in their operations are recognized by the OSB/Sustainable Future Section Partners in Sustainability Program.

Submit verification of compliance with the program criteria today and become a partner! Find the criteria, access the certification form, and review the benefits of becoming a partner at :

<http://www.osbsustainablefuture.org>

NOTE: The criteria for the program has been clarified as follows: Office policy calls for individual computers and printers to be turned off at the end of each day, with exceptions allowed for standard maintenance and when sleep or restart mode is required for updates and maintenance after normal working hours.

CALENDAR

Phil Mote to offer briefing on the projected **impacts of climate change** on the functioning of key natural areas in Oregon
